Dear Mr. Larson,

I am writing to inform you that your request, FOIA case number 59781, will be reassigned to our Tier 2 (complex) effective April 1, 2019. To give you an indication of our existing backlog for Tier 2, we are currently processing requests received in June 2013. Your request was previously assigned to our Tier 2; we are currently processing requests in this queue received in June 2013.

The change is a result of an office effort to improve efficiency and potentially decrease the amount of time your case is in our processing queues.

For your reference, requests that do not exceed 700 pages are assigned to our first-tier processing queue. Requests for records totaling between 701 and 3000 pages are assigned to our second-tier processing queue, whereas requests that exceed 3000 pages are assigned to our third-tier queue.

If would like to narrowing your request, you are welcome to do so by contacting our office using the contact information below. Additionally, if you no longer wish to receive these records we ask that you indicate such in writing to our office.

If this correspondence is returned as undeliverable and no new contact information is provided within 90 business days from the date of this letter, your case will be administratively closed.

We will continue to process your case in the order that it was received. You will receive a final letter once review and processing is complete.
